When clicking on the "Add My Courses" button, your "Education Planner" page appears for completion. By following the prompts and selecting the required courses, you can self-register without approval from the Faculty.

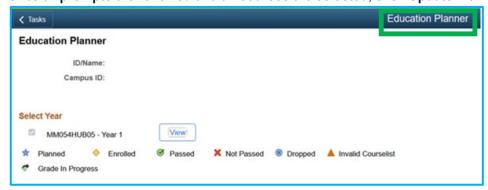

Click on Step 12. A pop-up message appears to notify you of the programme/plan you are active on to register for, and which prompt to click on to start selecting your courses. Click OK.

If at this point you want to change your programme, you will need to follow the Change of Curriculum (ACA09) process. As soon as your Change of Curriculum request has been actioned, you can finalise your Registration Process by continuing with Step 12.

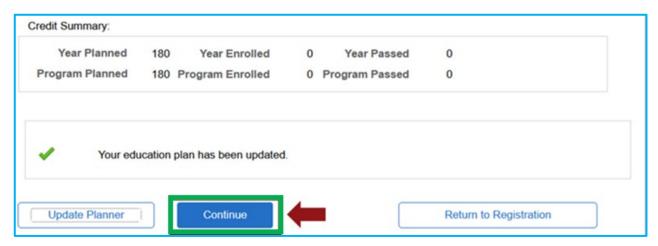

Click the Add My Courses button to open the Education Planner. Read the Instructions. Tick the appropriate boxes to select your Courses.

Once all prompts are followed and all courses are selected, click Update Planner and Continue.

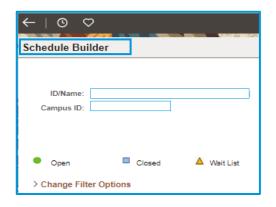

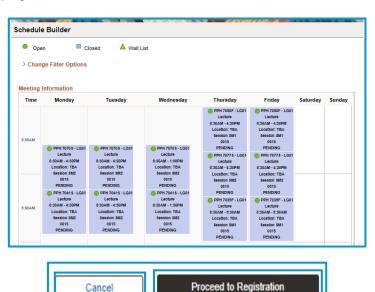

Should you not choose the courses for which you have approval to register, a warning pop-up message will be displayed to prompt you to make the selection.
